Saints,

I just wanted to let you know that we have moved all our podcasts onto one site: <http://www.sermonindexpodcast.com/>

You can subscribe freely to all of them there using the iTunes audio player software. If you don't have the software when you click on the subscribe link it will send you to a page where you can download it.

We currently have 4 podcasts:

SermonIndex.net Classics Podcast  
Leonard Ravenhill - Video Revival Messages  
The Godly Home Series by Denny Kenaston  
From Babylon To Jerusalem by Zac Poonen

Do share these with others: <http://www.sermonindexpodcast.com/>
