Street Preaching & Evangelism In Washington DC - posted by MikeCorral (), on: 2011/8/9 15:34

God has grown our ministry, tremendously. We were once only 3 or 4 street preachers on fire for God, that would proclaim the Good News and The Gospel of Jesus Christ on the streets of DC, almost every Saturday, and we also gave out Gospel tracts, around 300 to 400 tracts, and we would do also one on one conversations whenever possible. Now, thanks be to God, we are a large and growing group of Street Preachers (that boldly proclaim God's Word, and compel men and women to repentance and faith in Jesus Christ), Street Evangelists (that seek out conversations and Gospel sharing and witnessing opportunities), Christians that Pass Out Gospel Tracts, & Prayer Warriors.

We are hoping you will come join us or start a similar ministry where you are (we will eventually, Lord willing, be providing free training on our new website). Praying is the most necessary, but we need you to be a Prayer Warrior and come out in to the battlefield right along with us. We are not set up for cash donations at this time, but we really, really need tracts, we are now going through several hundred to over thousand tracts every weekend in the Washington DC area.

For some reason, clearly though its God, we are all Calvinists (Reformed Christians / Doctrines of Grace) Inclined, but we can work with Armenians and various Christian Denominations, as long as decisional evangelism, sinners prayers, nor the requirements of speaking in tongues are included in evangelism, and we never tell someone that they are a Christian, especially because they did or said something.

In any case, praying from where you are is greatly appreciated, and truly necessary. Seeds are being planted as we speak, please pray that God will cause the seeds to be nurtured, watered, fertilized and that He would cause the growth.

Thank you and God Bless you.

You say you cannot accept cash donations, but you need tracts...Is there a way we can mail tracts to you? If so, any specific tracts you feel are the most valuable? You have my prayers as the Lord leads.....May He bless and protect your ministry!

Re: but you need tracts... - posted by MikeCorral (), on: 2011/8/9 16:41

Thank you Mama27 and God Bless you! I can give you my apartment address, just send me an email / message, we do not yet have a PO box and most of the tract producing companies do not ship to PO Boxes. But in the near future I think we will work on something with the tract distribution companies.

In Washington DC these are the tracts that I rarely see hit the ground, and are in order of the speed they go out:

We also have a couple "Tract Machines", Praise God!, that can give out any tract with only a small percentage hitting the ground.

We greatly thank you, and with God's help, we will give out every tract, try to start a conversation with every person possible. In addition, we will try to give you updates on anything notable (last week we received a donation of tracts and some of those tracts went to a visitor from Kenya who was taking handful back with him, he was flying home the next day) in addition to photos and videos if possible of the people taking and reading the tracts.

Please let me know if you have any questions.

Hey brother, we don't video our outreaches too much, and the best ones are the ones we never get on tape. But here are two locations where you can see some:

We also need Christians to hand out Gospel Tracts and those that can share the Gospel one on one.

We will be praying for you guys, Mike. We have about 2 - 4 with us when we go to street preach. We preach in front of bars about once a month. The Lord has really blessed us. We are also praying for others who have a burden for the lost to join us. Check out our blog @ <http://seekingforsouls.blogspot.com> We went to the fair last month, giving out about one thousand tracts. Please keep us in your prayers. Thanks !!

That is awesome Scott, PTL!

I am making a networking map and would like to put you here:

<http://www.washingtondcevanglists.com/Network/Individual-Evangelists-Near-You.html#Louisiana>

My hope and prayer is that it will network more evangelists to you (and to me too if you come to DC) and also that Christians and Churches in the area will support you (laborers, tracts, donate, prayers). I can put as little or as much info as you want, I need to put on there what city or area you labor in and way to contact you. Let me know, God Bless!

Re: - posted by Scott1969 (), on: 2011/10/21 12:32

That would be great, Mike ! Do you need me to go to the site to do this ? Thanks !

Re: Get On The Map - posted by MikeCorral (), on: 2011/10/26 16:54

Scott, just email me through the website. Or post your info here. Need to know the area you labor in. As much info you want to put about your ministry. And a way to contact you. My hope and prayer is that other evangelists will see you will try to labor together. Also other Christians and Churches in your area will support you, hopefully with laborers here and in there, Gospel tracts and Bibles, prayers, and also financially.

Re: MikeCarrol, on: 2011/10/26 19:44

Blessings to you as you labor to bring the good news of Jesus to D C. For surely that is a city in need of salvation. Will pray God's richest grace on you.

Hey, Bro. Mike ! I tried to send an email, but it may not have went through. My name is Scott Thompson . My co-laborer in the Gospel is JJ Austin. We live in Sterlington, La. Our main area of evangelism is in Monroe, La. We preach in front of area night clubs. We also preach and distribute tracts at local events like fairs, festivals, etc. Our goals are to reach souls for Jesus and to encourage Christians in soul-winning. Our blog is @ <http://seekingforsouls.blogspot.com> We also have two YouTube channels - Preachtoreach and LiftingUpChrist. Thanks ! God Bless !

I've been slacking, will get you on there soon. God bless you!

Re: 180 movie - posted by MikeCorral (), on: 2011/11/4 11:04

They are great to give out in manner that is similar to giving out Gospel tracts, they cost \$1 each though. What I am doing now is keeping them as special tracts to give to those that we have had abortion conversations or related comments.

Thanks, Mike !

All set brothers:

<http://www.washingtondcevanglists.com/Network/Individual-Evangelists-Near-You.html#Louisiana>

I pray that it helps to network you with more evangelists and also more Churches and Christians that may want to send you some laborers on occasion, pray for you, send you Gospel tracts and Bibles, and or support you financially.

Please let me know if you have any changes or updates. Also, let me know if it helps and please spread the word, the laborers are so few.

Re: - posted by Scott1969 (), on: 2011/11/7 20:09

Thanks, again ! We need to be praying for each other as we labor for the Master. We will be praying for you and everyone on the list. Let's win souls !
