You would be much better with the church found in love. May the Lord lead you to such brothers who would love God and you.

Jesus said the following words: "It is written, My house shall be called the house of prayer; but you have made it a den o f thieves." (Matthew 21:13). Prayer should be the #1 priority in any church, but often it is not given much emphasis. In m any churchs prayer is looked at as a ministry that only the elderly can do because they can't do much of anything else. I n many large churches the pastor and staff are too busy to pray.

BUT I do have burden to pray for this call - Prayer movement in end time.

as I know Korean American churches in orange county are praying church now. I believe God will raise up many prayin g churches not only among korean american.

in prayers, I felt GOD remind me to pray for them, God will use Korean American chruches mightly, praying churches will walk wtih God closely and listen to GOD closely.
