

## Articles and Sermons :: How has Watchman Nee been altered?

### How has Watchman Nee been altered? - posted by Edwards (), on: 2004/12/21 20:38

In another thread someone said concerning "The Works of Watchman Nee, "Notice that it is the "complete works" not the "collected/altered works". Praise the Lord!"

How have some of his works been altered? If so, which ones? I have a number of his books and they are excellent. Who is altering them?

Ignore statements like these... the person who wrote that has a silly concept about only buying Watchman Nee books from a particular publisher.

Yes thank you brother Daniel, there are some people who are very strongly against some publishers of Watchman Nee's works. But as you stated that is quite a 'silly concept' whatever publisher of Nee's works it still well done and worth buying and reading. Now if a person wants to use Nee's materials to promote their own ideals or agenda that's a different story. But in most cases the production and availability of Nee's writings is a good thing.

the "Normal Christian Life" is a good book to start with if you are new to his writings.

Thank you for responding. Actually, I read the "Normal Christian Life" a few years ago and it was an amazing experience.

After reading some of the posts on this forum I sent for the CD of the Works of Watchman Nee. I'm looking forward to reading them and being able to respond to what I read here on the forum.
