Hello,
My name is James and I live in Alabama. I am a member of a Southern Baptist church. I recently read "Why Revival Tarries" and eventually I ended up at this site. I am particularly interested in revival and reformation. I guess you could say I am a Martyn Lloyd-Jones, Banner of Truth type. I really enjoy the Revival Hymn compilation!

*one of the main reasons why I was inspired to do this website ministry was because I read that book "Why Revival Tarries" and after watching that video interview.
