

SermonIndex Support :: Download Option

Download Option - posted by Lovefirst (), on: 2011/9/30 1:28

Where is the download option located. I would like to download some sermons but can't find the download button.

Re: Download Option - posted by mguldner (), on: 2011/9/30 1:33

Right click on the sermon link and then click "Save Target As"

Then set up and name it whatever you and wherever you want and this should complete the process :) I hope this helps.
