

Articles and Sermons :: off topic

off topic - posted by bludpurchase, on: 2011/10/23 21:09

can someone please inform me on how to download sermons from the site?

Re: off topic - posted by pernvic, on: 2011/10/23 21:57

I find the sermon then right click on it, then click 'save target as' option, (to the desktop) so it is easy to find.

Re: off topic - posted by Lysa (), on: 2011/10/23 23:53

I do the same thing except I made folders for all the people I like to listen to and I copy the name of the sermon the save as and paste the title, and deposit it into the correct folder!

God bless,
Lisa
