This is a great series by which the Spirit can set you free from much godless doctrine. If God has blessed you through this message, I would encourage you to listen to the rest of these messages from The Church in the Last Days series. They can be found at this link;

I am very happy to see someone promoting brother Milt's ministry on SermonIndex. His book, "The Great Falling Away Today" has a life-changing anointing upon it. The "Calvary Cathedral" series on Youtube is awesome too.

I am so glad to see someone listening to Milton Green. I have 25 full seminars of his that I put on my u-tube channel at <http://www.youtube.com/user/repentingheart> if you would like to hear them.

God Bless You!
