Council for National Policy-  
[http://en.wikipedia.org/wiki/Council\\_for\\_National\\_Policy](http://en.wikipedia.org/wiki/Council_for_National_Policy)

Does anyone know any more about this organisation as it is really dodgy. As People like Tim Lahaye, Chuck Missler and others secretly have joined.

**Re: Council for National Policy , on: 2011/12/31 22:37**

I read the link of the Council on National Policy. Just as the article implied, the conservative version of the CFR. What I find disturbing is the CNP's affiliation with cultc churches like Mormonism and Scientology. One may need to be discerning with this group.
