News just to hand is pop singer whitney houston has been found dead in a beverly hills hotel according to news sources . As some would know this woman had early roots to a black church and a gospel singing background which she original ly honed and fine-tuned to be the voice it would one day become. However, whitney sadly passed away today aged fort y-eight. The Cause of death is still unknown - but so far police have ruled out foul play. That said whitney had a turbulent life and battled drug abuse for many years - in spite of a celebrated celebrity lifestyle. This news has now gone world-wi de and as christians on this forum board we hope and pray this troubled lady made peace with the lord before this terribl e tragedy occurred. Sincere prayers and condolences to immediate family. Amen
