

Welcome & Intro :: Hi all, love this site

Hi all, love this site - posted by richrock, on: 2012/3/25 6:18

I've recently come to something of a powerful renewal of my relationship to the Lord, and am so blessed to find sites like this where I can listen to sermons that will provoke, challenge, and inspire me onwards. Sadly, much of what I hear in our fellowship (probably the most biblical around) is still sadly inconsequential, not even making me think any further other than 'that was nice'... argh!

So I'm blessed to see this site, and have experienced solid teaching from men of God who dedicated their lives to Him.

Many thanks for the recommendations -

I've listened to Ravenhill's Judgement Seat, an incredible sermon. I didn't get on with Paris Reidhead, maybe because I needed to be somewhere less distracted. I don't hear so well, so I'll listen with headphones - I get plenty of opportunity in my work to do so.

I came here originally to find more Paul Washer and Carter Conlon, both of who are on my regular list...

It's absolutely great to hear words spoken from the Word of God that will shake you to your core, strengthening your faith - I have people around me who seem to like having ears tickled...
