It will be interesting how many users are online on same time.
I just noticed:

I think I have noticed more, but I don't know the exact number.

p.s. wow I was to write 24-8, then I saw 28-7 and then the number above

Its great to see what the Lord is doing. I would ask that everyone stays in prayer about this ministry as the Lord grows it and more and more people become involved and use this resource. I would love to see 100's online at once.
