Therefore, there is now no condemnation
for those who are in Christ Jesus.

It might not be the devil Condemning you,
It might be the Holy Spirit convicting you
In regard to sin in your life. The Holy Spirit
Will expose sin in order to awaken our conscience
And need for forgiveness. He makes us aware of God's
Standard of Righteousness and Holiness and shows us
our sin and gives us power to overcome. John 16:8 Rom 8:1
