Hello everyone!

My name's Tanmaya.

I'm a graphic designer from India.

Am really glad to have found this site(was surfing for sermons by Jim Elliot). I think this site a great instrument... to study and understand God's Word better.

Well...that's all for now.

But will be around soon again.

Looking forward to knowing you all...

In Christ,

Tanmaya

Hi Tanmaya,

Welcome to SI! Jim Elliot was an awesome man of God. I hope that you continue to come back and download sermons. They will definitely convict and bless you!

In Christ,

Jeremy Hulsey
