What is the "Sernon Index"?

Thanks bro. Just corrected. My fat finger touched the wrong key. This time of the morning "sernon" looks like "sermon".

Saints, I am urging you to please come in the conference call tonight. Lord willing, Mark Case will lead our call tonight. Mark is one of the speakers at the upcoming SI conference.

If you can, please listen to his short message on The Lordship of Jesus Christ over his Church. This is his short audio presentation for the upcoming SI conference. In just 12 minutes Mark gives an excellent survey of church history. This is food for the soul.

Also I listened to 4 messages he preached on the cross. My reviews can be found in Recommends SI Messages in Persecution.

Brothers and sisters, I sense in my Spirit this will be a night of blessing. So please come and hear Mark share his heart and lift your cries of praise and prayer to the King.

For His Glory Alone,

Bearmaster.

Call info in previous post.
