

News and Current Events :: Shooting at Family Research Council D.C. Office

Shooting at Family Research Council D.C. Office - posted by KingJimmy (), on: 2012/8/15 19:36

A man who volunteers at a LGBT community center walked into the Family Research Council tonight, opening fire on a security guard, and denouncing the FRC's stances, which include a stand against gay marriage, and abortion...

I wonder how much news and political publicity this incident would have gotten had,

A man who volunteers at the Family Research Council walked into the LGBT community center opening fire on a security guard, and denouncing the LGBT stances.
