Saints posting the next Sermon Index prayer conference call for this coming Sunday eve. As of yet no one scheduled to lead call off. But last week, despite no one leading off, the Spirit showed up. We had a marvelous time of prayer for the conference. Will advise if God provides for someone to lead off.

But Lord willing, we will convene to pray. Time of call is 9pm EST, 8pm CST, 7pm MST, 6pm PST. US callers, please call in on 209.255.1000. Canadian callers please call in on 559.670.1000. Access code for both numbers 109083#.

Saints we are pressing into the home stretch here. The conference is less than a month away. I know many have been lifting this strategic conference up in prayer in your closets. But if you can please come on one of the con calls in Sept. and agree God will show up in Atlanta GA.

For his cause.

Bearmaster.
