I believe on this site you will find many great men of God to listen to here: <https://www.sermonindex.net/modules/mydownloads/> most from the past but some still present. We can easily put up a John Wesley or Seymour on a pedestal but they had failures and faults like all men of God because they are in many ways just like us.

God is raising up many men of God who will trust him and do great exploits in His Name again. Every man of God who was used of Him was simply one who would spend much time with the Lord. That is the secret. God's anointing only comes by much time with the Lord so our characters are transformed into the image of Jesus Christ, or else Holy Spirit power is dangerous and will only cause harm and not a testimony of the Lord if our character and life do not match our ministry.
