Everything Outside Of Christ Is Rubbish by Zac Poonen

Topic:

Scripture(s): Philippians 3:8-9

Description: Paul had a deep experience with Christ because he didn't put value on what everybody else valued. Brother Zac uncovers the spirit of being a servant that deals with God in terms of transactions rather than coming to Him as a loving Father. This spills over into our relationships with others, such as when we think of ourselves as "senior brother" or "senior sister" and make legalistic demands upon others.
