Martyrdom of Christians in India Obscured by Under-Reporting - posted by sermonindex (), on: 2013/1/29 10:49

Four Christians in India died for their faith last year, but incomplete information obscured the anti-Christian hostility in three of the deaths, sources said.

In Tamil Nadu and West Bengal states where the killings took place, area Christians assert that the murders were rooted in opposition to Christianity; specifically, radical Hindus viewing Christianity as a threat to Hinduism and Indian nationalism as a unified identity. In three of the four deaths, however, under-reporting obscured the acts or motives of the attackers.

In India's eastern state of West Bengal, where two brothers were hacked to death, villagers suspected the men's wives were practicing witchcraft, according to local press accounts and area Christians. A mob in Palashpari village, near Maldaha, attacked 38-year-old Sonua Pahari and 32-year-old Baishakhu Pahari with swords, sickles, rods and stones as they lay sleeping in their ...

If every 3 to 5 minutes a precious saint is martyred then indeed there is a lot of under reporting. But God knows this precious ones as they are with him in heaven.

Please find some quotes below on the persecution of Christians by Eustace Mullins in the book the "Secret Holocaust." I am not necessarily endorsing Mullins, but I thought some of his historical findings were interesting information. I wish he would have provided a reference list, but it appears he was able to write this article based on all the studies, research and investigations that he has conducted over the many years:

The Secret Holocaust

The real holocaust was a Christian Holocaust by
Jews of sixty-six million, mostly Christians.

"The real holocaust was a Christian Holocaust by Jews of sixty-six million, mostly Christians."

"Certainly. no murder plan had ever previously been so meticulously laid out or so precisely put into operation. The figures are in, and they are indisputable; fifty million victims in World War I; a hundred and fifty million victims in World War II; sixty-six million Christians murdered by Jewish fanatics in Russia since the success of the Bolshevik Revolution."

"The devastation of civilization to date by the rapacious hordes of Godless Communism, as well as their planned annihilation of all non-Jewish societies and political organizations, began to ravage the world in the nineteenth century. It has resulted in incredible suffering and death for many millions of Christian victims in many parts of the world."

"We are asked to weep only for the Jews, and to ignore the many millions of actual victims of world terrorism in the past one hundred and fifty years, a chronicle of such horror that one scarcely can bear to put down this bloodstained record, not merely in fear that the world might put away its business in order to mourn these countless victims of international Communist terrorism, but that the tragic fate of these innocents, most of them women and children, is one of such pathos that one's heart could break from the full impact of its terrifying implications for everyone alive today."

"In Europe, too, the civilized nations were beset throughout the nineteenth century by successive wars and revolutions,

which resulted in millions of Christian refugees."

"Their (i.e., the Communist terrorist) victims were helpless before their Jewish onslaught because they were Christians who believed that love for one's fellow man guides the affairs of the earth. And so it does, until Satan intervenes through his people. It was impossible for any Christian to believe that such bloodthirsty savages could exist among any civilized people."

"Only now, as the Christian peoples totter on the verge of worldwide annihilation by the Jewish master scheme, can some indication of the nature of the enemy begin to be seen."

"From the historian's point of view, the Jewish world war against all Christians proceeds in an unbroken succession of events from ancient history, when Jewish prostitutes such as Esther persuaded rulers to destroy their own people at the whim of the Jews."

"Max Nordau, the man who dreamt of the deaths of 50 000 000 Christians."

"Christians were dragged from their beds, tortured and killed."

"Mothers were taken to the public square and their babies snatched from their arms. A Red terrorist would take a baby, hold it by the head, head downward, and demand that the Christian mother deny Christ. If she would not, he tossed the baby into the air, while another member of the mob rushed forward to catch it on the tip of his bayonet."
