Miracles that follow the plow :: Prayer Coverage needed for seminar & outreach..

Prayer Coverage needed for seminar & outreach.. - posted by CBrush, on: 2005/3/8 16:55

Greetings all,

Just asking for prayer for this weekend. Saturday we have an evangelistic training seminar that I am leading, then an out reach directly afterwards. I hope the turnout will be good for the seminar (at least 15 to 20).

We will be going to a mall for the outreach.. pray that the guards won't give us trouble, and that we will have divine appoi ntments with those we witness to.

Pray that hearts will be prepared as we go to seek and save the lost!

Thank you..

Enlisted, Chris Brush
