### Any Remnant Saints in Arkansas?, on: 2013/3/17 17:50

Putting out a call to ask if there are any remnant type folks in the natural state. You know Arkansas. Land of the Ozarks ,, WalMart, and the Hogs.

Ok. All kidding aside. Any followers of the Lamb out there. I am Blaine Scogin aka Bearmaster. I live in Little Rock, AR . I am interested in the idea of saints networking together along the idea of the gospel fellowships. Any believers in the Central AR or any part of AR please post on this thread and let us exchange contact info.

If you want to contact me privately. My email is [tpw707@gmail.com](mailto:tpw707@gmail.com). I apologize for being so public about this. But do not know of any other way to inquire about a remnant group in Arkansas.

Again interested in a network of saints in the state of Ark. If interested please post to this thread or contract me at the email above.

Blaine Scogin aka Bearmaster.
