MUST HEAR MESSAGE: The Call For The Church To Leave The Plains Of Sodom And Gomorrah by Steve Hill - posted
Saints,

Brother Steve shares a powerful burdened message from the Lord particularly to the Church in America. He shares a prophetic call to repentance for believers to leave Sodom and Gomorrah in their hearts. There is a great need for preaching on sin, powerful prophetic messages that will lay hearts bare before a Holy God. Judgment day will come for all, we must live in light of it.

Listen to this powerful message and share it with others:
