I watched this, great documentary, very enlightening, even though I'm a brit, I can see parallels between UK/US. Well worth watching!

Re: Grinding America Down, on: 2013/4/29 3:21

neo-babylonian propaganda and lies, concerned merely with the fleshly polis of the day, ie "left/right"....'moral/immoral'.....who were "more moral" and "upright" in their days but the Pharisees?.....who were more "conservative" in their day, but the romans, as they maintained, the "Pax Romana"?

you are being led down a rat hole by the devil, you think the republican party is going to "save you"? You think that by your human will, that you will "Take Back America?"....by your human will?....by the strength of your arms?

there is NO Fear of God in this...there is no Love of Jesus in this...yes yes yes, they pay service with their lips, "Lord, Lord"....but their hearts are FAR from Messiah, and more canted towards the Whore and the spirit of Babylon.

i'm not unaware of the schemes of the enemy, just shameful. wickedness.

I just come out of supping of the Word of God, Psalms 101 thru 104, as dig with my heart the Basis's of Prayer, Praise, Repose and of Woe, or lament...

Psalms 101.....precious Words

"I will ponder the way that is blameless.
Oh when will you come to me?
I will walk with integrity of heart
within my house;
I will not set before my eyes
anything that is worthless.
I hate the work of those who fall away;
it shall not cling to me.
A perverse heart shall be far from me;
I will know nothing of evil. Ps 101:2-4

then into Psalm 102, the Fifth "penitential" Psalm, which are a collection Seven used by the Early Church as liturgy; what broken hearted anguish!

"For my days pass away like smoke,
and my bones burn like a furnace.
My heart is struck down like grass and has withered;
I forget to eat my bread.
Because of my loud groaning
my bones cling to my flesh.
I am like a desert owl of the wilderness,

like an owl of the waste places;
I lie awake;
I am like a lonely sparrow on the housetop.
Ps: 102:3-7

its an "orphan" Psalm, but what a broken heart, God has sway with such...God works on such a heart as this....and then into the Soar of Psalm 103!!! those first few Verses!!!

"Bless the Lord, O my soul,
and all that is within me,
bless his holy name!
Ps 103:1

lay on your face for a half and hour, and with just Those, breath out PRAISE and ADORATION.....that's why I came here at 0200, up with the LORD in the morning...when Duncan Campbell, was wounded in the last cavalry charge of ww1, and was at the casualty clearing station, after having been Baptized in the God the Holy Ghost, he was speaking that very Psalm and the next verses IN GAELIC, which the Canadian wounded couldn't understand....but STILL, the Anointing of the Lord was so on this wounded young man, just hearing those Precious Words, seven of those soldiers were gloriously saved by hearing This in Gaelic:

"Bless the Lord, O my soul,
and all that is within me,
bless his holy name!
Bless the Lord, O my soul,
and forget not all his benefits,
who forgives all your iniquity,
who heals all your diseases,
who redeems your life from the pit,
who crowns you with steadfast love and mercy,
who satisfies you with good
so that your youth is renewed like the eagle's."
Psalm 103:1-5

and I came here wanting to hear Duncan's testimony to that event...His Baptism in the Holy Ghost.....and I like a fool, I open your post, and more foolishly I watch maybe 2 minutes of that foul fleshly swill.

its not YOUR fault, its MINE....in Christ, I should have known better to click on such posts as "Grinding America Down"... ..it has NOTHING to do with Christ and Him Crucified....it just forwards a shadow of religion, a veneer of godliness over the stench of the flesh.

When did Peter sink beneath the waves?....when he took his eyes off Jesus...he who has ears to hear.

(give Duncan's testimony a listen <https://www.sermonindex.net/modules/mydownloads/visit.php?lid=380>
i'd venture to say this is a lot more profitable for the soul of those Blood Bought.)

I watched the movie last night with my DH. It was interesting to learn some history about how some attitudes came to be in this country. I was somewhat surprised at how early much of these things began back in the 1930?? beyond that I did not find much I could take away from it. I found the end of the movie sad because while many of those interviewed mentioned GOD it was all in context of "taking back our country" or "saving America" ...the thing is JESUS did not tell us to go out and save a country, HE said to share the good news and make disciples. For me its about JESUS, keeping my eyes and focus on HIM. Its not about saving the country its about praying for the lost so that they might repent, come to JESUS and glorify HIM as LORD. Its HIS KINGDOM we want to see lifted up not the worldly kingdom of the USA...

Just my thoughts. Thank you for sharing the link.

God bless

No one is leading my down any hole, HW. I know how to spot the bones in the chicken.

MaryJane, what interests me about that video, are the parallels of the world in the church, "grinding down" Christianity. Most of what we see as Christianity today would probably be unrecognizeable in the Early Church. Oh, sure you were see parallels of fleshly, carnal behavior, but I am talking about what passes off as Christianity, today. All the theological systems that have been created, which just nullify the Word of God. Those systems are what really "lead people down a hole".

I can agree with you on that, you are right there is much of today's "organized religion" that is filled with traditions that GOD has no part of. Some of these traditions do little more then place people in bondage to men but do nothing to point one to living a surrendered life unto CHRIST. Sadly there is much deception in the world today and one needs to cling to JESUS and hold tight to get through!

Pilgrim, thank you for posting. I'm not naive to believe a political system is the saviour of a people but it does bother me that some interpret being patriotic as being anti-Christian. I am fully aware that we are pilgrims passing through and shouldn't let our affections be consumed with this world but I am at the same time grateful for freedom we are still able to experience and thankful for information that exposes the schemes of the enemy of that freedom and God himself. Years ago God used a video concerning the puppetmasters of the rock music industry and demonstrated to me how vile the music and people behind it truly were. I was shocked at the lyrics of the songs I listened to and lifestyle of the artists I idolized and I changed my listening habits. Not all rockers are hard-core satan worshippers any more than Republicans are God's saviours of humanity and I can appreciate the convictions of those who are chaffed by many who promote that notion under the banner of Christianity but there is good information in the video to wake people up to the vileness of Socialism and Communism to which I am thankful.

Thank you, rjennings.

I was actually surprised Neil wrote what he did, knowing about the signs leading up to the fullness of the Third Reich.

I think if Neil had a look at the Genocide Chart, he may think differently.

tell you what....i'll watch more than the two minutes I did.....I just skipped along, just now to minute 34,and to be frank, its just the old "script" being played out...and frankly, after spending my precious 3-5 hours with the LORD, pre-dawn.....seeing more of the confusion of the WORLD....it stirs me to holy indignation...this is not personal to you dear one.....whats happening is this, as the LORD leds, communism, fascism, conservatism, liberalism, left, right, Nazi's, progressives...etc etc etc.....dear one, they are ALL the same....a spirit of confusion has fallen over the WORLD...its the spirit of Babylon, most definitely ant-Christ.....and I could discuss this ALL with you IN DEPTH....and at the end of the day, you would see that I am VERY AWARE the times we live in....and just off the top of my head, Phylis Schafly?...she wouldn't be one of my choices for "wise elders".

Believe me, belove me, you must believe me, I didn't write that to argue.....nO!!! what I saying, is this whole worldy set up....its SO MUCH deeper than mere politics, "left/right"....."ism's"...take for instance this recent Boston "lock down"....that was a trial run....to see if they could "do it", and they can....nobody raised a concern, about "locking down" a WHOLE city, over a 19 year old boy with a pistol.

I have two tracks....what I do in daily life, in the natural, and that's all very low toned.

the Second Track is contending with God, following Jesus, and seeking His Counsel, His Wisdom, HIS Prophecy...and then just PRAY...HARD....two tracks....so don't take offense, I beg ye...

In my very meek op

The link is to a 6 min long video of when the searches were taking place. I want to make it clear that I am not saying anything against the officers doing their job. I was just stunned to watch these kinds of searches in this country. As I watched I just wondered where might these kinds of searches lead to in the future? These people being forced out of their homes are just average citizens, they were held at gun point and searched with out warrant...

We need to be in prayer

Re: Pilgrim, on: 2013/4/30 8:38

Well said HezWelling!!!

"Do not fear those who kill the body but are unable to kill the soul; but rather fear Him who is able to destroy both soul and body in hell."

BTW, I love Duncan Campbell's testimony. A classic!!! Along with the testimony of other saints who died to self, fully surrendered, entirely sanctified, continually filled with the Holy Spirit, and controlled my God. Also, if you read the descriptive account of Rees Howells infilling it is another example of this normal Christian experience that many sought for... It is not something new, high or exotic; it is foundational to primitive Bible Christianity as preached by Paul. He called it perfection - but this word needs to be understood properly. It was the secret of success for many of the more recent spiritual giants that we still revere, such as Madame Guyon, the Wesleys, Adam Clarke, C.T. Studd, John Fletcher, Oswald Chambers, Matthew Henry, "Praying" Hyde, Smith Wigglesworth, John G. Lake and many, many others...

Re: - posted by pilgrim777, on: 2013/4/30 14:51

Well, just to set the record straight, let me please say that I am not encouraging people to fear those who kill the body. Yes, we know they are all 'isms'. I wasn't trying to teach new "ism's".

This video is only an indication like so many others, that we are in the last hours and DON'T TRUST in anything or anyone except the Lord. Certainly not any particular political party.

The Government has become more brazen than ever. The "means justifies the end".

But God is in complete control and the safest place to be is in His will.
