from the article:

If you missed it, President Obama gave a twelve-minute speech at the abortion giant’s annual gala, and finished with, “Thank you, Planned Parenthood. God bless you.”

There are so many things wrong with this, but let’s focus on the fact that it doesn’t make any sense. On this, pro-lifers and pro-choicers should agree.

First, Planned Parenthood. It is the nation’s largest abortion business. Abortion provides more of its revenues than any other product or service. It slices, stabs, chemical burns, and vacuums humans to death for \$500-\$900 a head.

Now God. Certainly, God is opposed to the cruel termination and destruction of His creation. No God would bless man’s arrogation of His role as he who gives and he who takes away. In fact, very early on God strongly registered His displeasure with man’s presumption that he might “be like God, knowing good and evil.” For these and other reasons no major religion has ever blessed abortion. But on Friday, April 26, President Obama did.

Now as touching things offered to idols, we know that we all have knowledge. Knowledge puffs up, but charity edifies. 2 And if any man think that he knows any thing, he knows nothing yet as he ought to know. 3 But if any man love God, the same is known of him.

4 As concerning therefore the eating of those things that are offered in sacrifice to idols, we know that an idol is nothing in the world, and that there is none other God but one. 5 For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,) 6 But to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him.

Let the heathen say what they will...and yes, I did just call the President of America a heathen, an unbeliever, a non-christian individual who needs a real salvation, a born again experience, a new birth in Christ Jesus.

After I read this I was so stunned that all I could do was pray...is it really possible to be so deceived that one would bless such an organization? We need to be in prayer for them all. Pray that GOD would open their eyes and heart to see HIS truth that they might repent and cry out to HIM!

God bless
