America is Under God's Judgment by Evangelist Isaac Prather - posted by sermonindex (), on: 2013/6/28 19:09

America has stepped out of God's blessing, and is under God's judgment. Sure, there still seems to be a lot of money, a lot of commerce, a lot of people living the "American Dream", and a lot of sunshine and blue skies. But you and I are about to see the judgments of God poured forth like water.

Ten years to the day before the latest Supreme Court judgment concerning homosexuality, and D.O.M.A (Defense of Marriage Act), "homosexual sex" was made legal. Ten is many times used as a number for testimony. There are also ten commandments that we would all do good to pay more careful attention to. To me, these last ten years are a testimony of God's amazing longsuffering and patience. But there are, you must wake up and see, two sides to God primarily--Godness and SEVERITY.

God's law says it is an abomination for a man to lay with a man, (to have intercourse of any kind) as man lays with a woman. Our courts over 10 years ago had the audacity to assert that they have greater wisdom than God, and threw out His eternal law in order to change it to a law of Satan--THEIR god. Now they have the gall to "redefine marriage". And all of them--president, judges, and anyone who agrees, except they thoroughly repent and amend their thoughts, ways, and doings (And that openly for ALL to see) shall bust hell wide open very shortly.

In just a few years time, the percentage of Americans who say they are OK with gay marriage has skyrocketed. People have turned from truth and morality in droves. The iniquity of this nation is full and overflowing. And I hear the Spirit of the Lord saying that we, as a nation, have absolutely no idea what we have done.

In the name of "LIBERTY" we have forfeited liberty, as we are already beginning to see, but will shortly see on a scale we never imagined. In the name of "RIGHTS" we have forfeited our true God-given rights, our "inalienable rights" that our forefathers clearly identified which are "life, liberty, and the pursuit of happiness." Those rights only belong to the righteous. Happiness will never be found in the things that are contrary to the nature of Almighty God.

HE alone created the heavens and the earth and everything in them. In the beginning, He created Adam and Eve, man and woman. And before the judgment seat of Christ we must all stand and give account. Woe to those who ascribe to, and rejoice in, laws which are contrary to the holy laws of God Almighty.

Whenever a society begins to reject the Holy One of Israel, and begins to worship and serve the creation of God more than the Creator, then there inevitably are going to be disastrous effects. In the late 1960's was the first "gay rights" parade. A little over a decade later, AIDS showed up in the homosexual community, and began to kill them in large numbers. But did it stop among those practicing homosexuality? No, sir. It has killed countless heterosexuals. Many, many innocent babies were born infected by the deadly, incurable disease, then suffered terribly for their short lives only to die. Many who received blood transfusions were also infected by the H.I.V/AIDS virus and suffered slow, painful deaths as well. But it began with the sodomites. "Christian" America made a terrible mistake for not standing up and making it clear to the perverts of that generation that such behavior (the vilest of parades) would not be tolerated in this nation!

Why? Because we know in our hearts that this sin is against the truth of God. So when we condone such demonic behavior, we sin against the light. And so, what can we expect but gross darkness to cover our nation, and any nation who does the same.

"For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness:" Romans 1:18

The United States of America has more churches than any other nation--one on nearly every corner. We have more bible colleges, more bibles, Christian literature, and Christian heritage than anyone else in the world. But there are more sermons preached on how to get rich than there are on how to please the Lord of all Creation. There are more teachings on God's tolerance for sin than there are concerning His commandment for every Christian to live holy, pure, and undefiled lives, without which no one shall see the Lord. There are more sermons on enjoying the pleasures of this life than there are concerning the glories of heaven in the life to come. (For those who make it)

And so, as it goes with the churches in this country, so does it go with our nation. If there is no true judgment and discernment in the churches, among the people who call themselves by the name of Christ, what hope do those outside of the church have except for spiritual and moral demise, and certain destruction in hellfire and eternal torment. The duller the light is, the harder it is for those in darkness to find the light.

I pray for revival. But I believe before there are any true and HOLY revivals, there will be many funerals of masses of people in this nation which was once under the blessing of God, but now, AND HEAR ME VERY CLEARLY, is under God's curse.

I've certainly not set out to be a "prophet of doom", but I can not help but tell you what I hear as I fellowship with my Heavenly Father. So with the love of Christ in my heart, I warn you to flee from the wrath to come. Make sure your sins have been washed away by the blood of Jesus Christ, which only happens to truly repentant and broken sinners who plead to Him for mercy because of a realization that they have offended the Living God.

Let there not be ONE sin in your life that you do not repent of and forsake. Carefully study the Word of God DAILY, REVERENTLY, and PRAYERFULLY. Amend your ways and your doings, and call upon the name of the Lord, until He sends His Holy Spirit to dwell within you, to lead you into all truth and righteousness. Jesus Christ is coming for a church without spot or blemish. Do not partake of the sins of this nation in any way, shape, or form.

Stand against the evil of this day, and let all of heaven (and hell) know whose side you are on. Jesus said if we are ashamed of Him, He will be ashamed of us in the day that matters most. And when calamities and terrible atrocities begin to shortly come to pass such as most sinners would not hope for their worst enemy, remember that I sounded the trumpet to prepare you that you may prepare yourself. America is under God's judgment.
