It's Harvest Time by David Wilkerson

Topic:

Scripture(s): Matthew 9:36-38

Description: What did Jesus See for Him to say the Harvest is plentiful? The law of the harvest is this - the darker the generation the whiter the harvest. Troubles distress and duplexity will birth a cry in our hearts for The Lord to answer. The true laborer of the harvest is a christian who's walk proves that Jesus Christ is enough - that he is all sufficient.
