'Heavy-handed, heavy-armor approach', on: 2013/9/5 9:47

Gold miners near Chicken cry foul over 'heavy-handed' EPA raids.

To check if water is polluted, EPA sends 8 armored agents with weapons.

Sounds like the government. My wife told me just the other night that if a person is on Obama care there is a loophole that allows Government agents access inside of your home.

It's communism in action!
