Other thoughts:

I think Zac Poonen has five things that make him and his ministry so good. I remember these from various sermons he's preached.

1. He wants the full Gospel
2. He doesn't want your money
3. He doesn't want your approval/status
4. He doesn't want to be deceived in any doctrine
5. He wants to be free from sin

12/21/13 - Application of this message to our groan for revival: God is more eager to give what He has promised than we are to receive it.

He is more eager for revival than we are. I am saying this, NOT to convict us of sin, but to increase our faith. He IS more eager! Revival destroys the works of the devil. The Son of God was manifested for this purpose. He knows our spiritual weakness.

Much Glory to God truth in this message. Thank you Father that you still love us.
