Dear Saints,

In 1 Peter 4:14 we read,

If you are reviled for the name of Christ, you are blessed, because the Spirit of glory and of God rest on you.

Indeed those persecuted saints carry a glory and special presence of God. They manifest the sweet aroma of God as those roses that are crushed and manifest their sweet fragrance. Indeed these precious saints of God are sweet and pleasing sacrifices to God as those lambs led to slaughter. Such thoughts are strange to the natural mind. But to those who have the mind of Christ such thoughts are pleasing to God.

I invite you to come and pray with me tonight that the persecuted saints will know more of the Spirit of glory and of God to rest on them.
