

**Miracles that follow the plow :: Pray for Ken Miller Family****Pray for Ken Miller Family, on: 2014/1/10 21:01**

I checked out this website:

<http://millercase.org/>

To check on the Ken Miller Case and what their needs were. Found some delightful music as only Mennonites in acapella (no instruments) are so wonderful at.

Status on the legal costs for Ken's case is recorded here.

I lived in Virginia and attended a Mennonite fellowship in Madison, VA. from 2006-2009 These believers are humble, simple, hard-working and rely upon the Lord for provision and work. The Mennonite believers in Christ in Madison, VA reached out to my 11 year old daughter and I when other churches had no time nor inclination to help strangers.

If the Lord so leads you, pray about supporting Ken and his family for as you know the legal costs of court cases anywhere are outrageous. May God provide for all their needs according to his riches in glory.

In Christ,
L. Manto
