Saints,

Asked why he was used of the Lord so greatly in China, Hudson Taylor replied, 'God had looked long for a man weak enough, and He found me.' He takes the weak things of the world to confound the mighty. Spiritual wisdom does not come with years; neither does maturity. The key to both is obedience. Whatsoever He saith unto YOU, do it.

It is amazing to see after 20,000+ sermons added to sermonindex and when asked the first message added, I looked into it and found that this was the message. This message impacted me 12 years ago now greatly when I watched the video of it and really felt it needed to be one of the first messages out on the website. Share this with others and listen to it, your life will not be the same.
