Internet Evangelism Day 2005 - posted by sermonindex (), on: 2005/4/6 13:49

Quote:
------------------------April 24 is the first annual Internet Evangelism Day, an opportunity to learn more about the impact and potential of online ministry. Use these free resources and ideas to raise awareness of online evangelism in your community
----

I thought this was quite interesting, the ministry **gospelcom.net** that hosts SI is really promoting it. Here is some more information about this event:

A focus day for churches, Bible Colleges and other groups, because Â…
... nearly 1 billion people use the Web
  ... the Internet is changing the world
    ... God is using the Web to transform lives
      ... Â"WeÂ'd love to use the Web for outreach, but we donÂ't know howÂ"
Internet Evangelism Day is here to tell you about Â…

what God is doing on the Web
outreach strategies that work online
how you, your church or Christian group can use the Web for outreach Â– and how to make church websites reach into the community
planning an Internet Evangelism focus day for your church, Bible college or Christian group; in April, or convenient time later in the year

go to this site for more information:
