the "installed" President of Ukraine....is a "baptist pastor", on: 2014/3/12 10:38

brethren, we are being lied once again AND USED to give spiritual covering to a gaggle of neo Nazi's.

I saw this happen in 2002-2003, as "evangelicals" were USED by the "religious right", the military, and other worldly US power broker whip up the "church" to SUPPORT the invasion of Iraq, which history has NOW shown was not only a blood soaked sinful disaster, but birthed on a foundation of lies.....and NOW, its happening again.

the "appointed President" of Ukraine is a "Baptist pastor", after the elected President of Ukraine was forced out by the Svoboda Party and "Right Sector" neo Nazi street thugs.....look at this:
<http://www.globalresearch.ca/there-are-no-neo-nazis-in-the-ukraine-and-the-obama-administration-does-not-support-fascists/5370269>

the only reason I found this out, was because I was reading sister Lysa's link in Charisma Magazine about that Swedish apostate mega church pastor being seduced by the whore of rome, and converting to romanism.....so I saw "Ukraine" in the upper bar for Charisma's "news section"....and started to read, my heart breaking as I read:

Ukraine's Intercessors Standing in the Gap for Peace
(Courtesy of CBN)

"Ukraine's acting president Oleksandr Turchynov, a man of deep faith and prayer, is in the center of the storm in Ukraine, but he's not alone.

Turchynov is seeking an increase in the country's armed services as he has called on parliament to turn Ukraine's interior ministry troops into a national guard to defend the nation against aggression."

This man, Turchynov....oh, he's not alone, he has now thousands of neo Nazi street thugs, as well as President Obama, and every neo con....right with him.....all doing a dance to World War 3.

thanks to Charisma Magazine we can watch Oral Roberts president Billy Wilson lead the all too malleable and deluded students in prayer for Ukraine and lead them in a final shout of "Freedom!!!"

<http://www.charismanews.com/us/43090-watch-how-spirit-filled-christians-pray-for-Ukraine>

here's another Charisma article filled with OMISSION and just outright lies:

EXCLUSIVE: Acting President of Ukraine Speaks Out in First International Interview

"In the midst of ongoing turmoil that has enormous global significance, God is mightily at work in Ukraine, the nation's acting president said Wednesday in an exclusive interview for Decision magazine.

"Stories of God's hand abound," Oleksandr Turchynov, a devout evangelical, said during a private meeting with BGEA Vice President of Crusades Viktor Hamm.

BGEA President Franklin Graham, who preached in Kiev in 2007, requested Hamm travel to Ukraine and meet with Turchynov because of Hamm's deep ties to the country. Born in a Soviet labor camp, Hamm has led 15 crusades in Ukraine between 1994 and 2006 as a BGEA associate evangelist.

Turchynov has declined requests from internationally prominent news organizations but granted Decision magazine the interview that will appear in more detail in a special report on the Ukrainian crisis in April's edition.

Hamm also has met with some of the nation's top evangelical leaders this week while in Kiev to show BGEA's support. Decision traveled with him to cover the story that has gripped the world."

(let me skip ahead a little bit get to the bite....the part were these men conveniently forget about the street thug neo Nazi element that has the whole nation in its grip.)

Installed "president/pastor" goes on to say:

"Turchynov was named to his position on Feb. 23, two days after Yanukovych was found to have fled the country amid a massive uprising against his regime.

During three months of protests in which Yanukovych's Berkut riot police beat and shot protesters, it appeared the many freedom fighters had little chance in a David vs. Goliath kind of confrontation. A fiery showdown ensued and hit its violent peak from Feb. 18-20, when Berkut snipers shot down and killed protesters. Nearly 90 have died in all.

Yanukovych, who fled on or around Feb. 21, is now charged with mass murder by authorities in his country.

Turchynov said only God could have delivered those who refused to be oppressed any longer. The acting president noted how, during the war-like events that took place during the confrontations at Maidan (the city square), huge clouds of smoke would drift toward the Berkut riot police and away from protestors, obstructing the view of the perpetrators. Turchynov said there was also a time when a grenade was thrown near him, but that only one fragment hit him on the cheek, causing no lasting injury.

"I see God's hand in every little detail that took place as unarmed people went out to defend their freedom and the independence of their country against a fully armed professional army, many times bigger in size," Turchynov said. "Their faith was victorious. God granted them victory."

he's lying....how do I KNOW?.....NO MENTION of both Svoboda and "The Right Sector" being armed to the teeth.....those who burned Independence Square on 18-20 Feb?....those were trained up neo Nazi street thugs....and he knows it.

and to smatter "Charisma" magazine with LIES, just as the main stream press is?....so we can reinvigorate the "cold war", because the whole LIE of 'al queda' is falling apart, just as the whole economy is falling apart....we need a new enemy, we need a new war.....good for business, and what better salesmen than an amped up group of north American evangelicals?

but I guess I should not post, as I should just "submit to authority"....right?

Greetings Neil

Thank you for sharing this, as one who has been praying for this situation I do believe it should be in our prayers. As you said things are transpiring very quickly and much is happening while most Americans do not even realize it.

I believe the enemy is behind all of this, the hate, the anger you see in the world today is increasing and now is the time we need to be in prayer. We need to be seeking Jesus for our leaders to see their need for Jesus and repent, we need to pray for the leaders of other countries as well. In all of this our heart should always be, LORD YOUR WILL BE DONE!

Thank you again

you indicated your brethren are near the border of Crimea.

these neo Nazi thugs in the Svoboda party and "The Right Sector", might be murderous demonic thugs, just as Hitler was....but they are not stupid enough to operate anywhere within reach of Russian forces.

Russia, during World War Two bore the brunt of Hitler's murderous fury, losing anywhere from 20 million people to 50 million, the numbers vary. We Jews lost 6 million to Hitler's minions....and now "somebody" has loosed these neo Nazi's in Western Ukraine.....and they are the real power on the "streets" of the West Ukraine and Kiev.....and I hear NO MENTION of these murderous thugs in ANY American main stream press, but now I start to see articles from "evangelicals" in support of the "new" Ukrainian govt.

why is that?

Re: the "installed" President of Ukraine....is a "baptist pastor", on: 2014/3/12 11:39

here's what a little bit more digging uncovers....it seems that Turchynov isn't a full time "pastor", but

"He is part of the 1% of Ukraine's population that identify as being Protestant. Although some in the media have reported that he is a pastor, the Associated Baptist Press and the European Baptist Federation report that he is an elder and occasional lay preacher at his Kiev church, the Word of Life Center, which is a member of the Evangelical Baptist Union of Ukraine".....

he also

"was born in Dnipropetrovsk. He graduated from the Dnipropetrovsk Metallurgical Institute in 1986, after which he worked at Kryvorizstal, a large Ukrainian steel producer. From 1987 to 1990, he served as head of the agitation and propaganda division of the Dnipropetrovsk Oblast Komsomol (Communist Youth League) Committee, which was led by Serhiy Tihipko.

not too bad for his American intel handlers, they did find one of the few in country "Baptists" to put a quasi "evangelical" face on this whole farce.

HezWelling -

I was the one who stated

Quote:

-----you indicated your brethren are near the border of Crimea.

It was in the thread that Lysa started about Ulf Elkman.

However, yes we do have friends that are born again Christians there. One couple are pastors of a church in a local village maybe 50 miles from the border.

My wife is also friends with several believers in Kiev, Ukraine. One pastor, his wife, two wonderful worship leaders, and several other believers from churches in Kiev.

We have had several contacts with them since this all started in Ukraine. I certainly don't disagree that there are forms of organized crime mobs operating in Ukraine. There are and have been for years. However, that is not the issue. At least that is what our friends who live there are saying.

What they say is happening, and the issues arising from it, are very different from your take on it.

Again, I am not saying crime and corruption is not in Ukraine ... it certainly is ... and virtually everywhere on earth for that matter. However, the folks and issues you raised are not ones that the believers we know there believe are causing problems.

They disagree with your assessment of the players involved and why people chose to act as they have.

They have requested much prayer but most in the Western part of Ukraine will not go back under Russian rule. We know church leaders from there that were leading the underground church movement before the fall of the iron curtain. Even though Russia is generally open to Christianity at the moment the folks who lived under the heel of Communist persecution of believers are in no mind to go back to that if it can be avoided. You can imagine how a parent might feel if they thought a return to that possibly lay in store for their children.

The Russian invasion of Crimea is purely a military tactical move. They will not forfeit the Naval bases there or in any way risk their security. They must maintain those bases and access to them under Russian forces. It is their access to the Mediterranean Sea. Far too valuable in their mind to take any risks with so they moved militarily to secure them. We will see now what transpires. If there are no penalties for seizing the Crimea area then will Russia be emboldened to seize a few more chunks of land? Will the sides talk and basically let the nation split into a Russian faction and the other into a non EU nation? We will soon see.

Regardless the believers there have requested prayer for wisdom for those in positions of authority and that God would raise peacemakers to confront the situations there. I am in agreement with that.

Blessings!

There is a link to religion for many wars (Revolutionary War, World War I, World War II, Vietnam War, Bosnian War, Iraq War, Ukraine, etc). You should explore the connection to religious bodies starting some of these wars while accelerating others. Of course, Satan is behind it all and his target is the Church.

Jihad is not just being waged by Muslims.

Hi Neil,

I am ignorant about this topic so could you please use more credible sources other than ones like globalresearch.ca , zerohedge and etc.

It makes it difficult to discern between what is true and what is biasedly conspiracy theory

Re: - posted by MaryJane, on: 2014/3/12 14:22

Greetings Proud papa

I had responded to your question for Neil with one of my own to you but felt the Holy Spirit urging me to withdraw that question so I have edited this post. I think it may have been taken the wrong way and I did not want that.

God bless

Greetings Neil

I had read just the other day that there are those in congress that are calling for the president to taking on a stronger stand with Russia. I was surprised because it seemed as if they were advocating the use of military might as a means of intervention. This is all the more reason we need to be praying for our leaders to turn now to JESUS. We need to pray that they will see the folly of war. As always though not my will but HIS be done, this is my prayer today.

God bless

One must be very careful what comes over the false prophet TV and many magazines. I just read where he is a Jew. I do not believe everything I hear from DC. They hand the newscasters their news. Even the UK admitted it was a US overthrow. But even there I must be careful. Looking for great things from this? Don't. Did you see their new Nazi uniforms after the Coup? Perhaps Chevron needs some gas. Saw their website Chevron Ukraine. Don't be fooled. We live in the days of lying wonders. And they will really take you for a ride if you aren't careful.

Re: sister MJ , on: 2014/3/12 19:40

I hear your heart impassioned plea, one of born of the Holy Spirit, speaking peace.

You know what broke my heart today? reading those articles from CHARISMA magazine, that play right into the lie of "Putin the Aggressor"...and this magazine is a LEADING "Christian" magazine shaping opinion within the North American Evangelical ranks.

here's how sick all the lies have become, when you have "evangelicals", the majority of which cheer led the lies that led us to invade Iraq in 2003, are now joining forces with President Obama, (who also wants war)..Obama, a man who's "popularity" among 'evangelicals' is probably in the single digits.....are all buying the lie....as well as the 535 congressmen and senators.

They WANT war with Putin, because in their soul sick minds, they actually believe a war, will dig out the economy from the looming disaster it faces. THAT is Babylon redux.

and if they think that Putin will fold, they are so deluded. Putin is the child of those who faced, fought, died and took the enormous body blow the Nazi's, or "hitlerites" inflicted on Russia, and as long as the neo Nazi parties of Svoboda, The "Right Direction" are in the electoral mix post NATO/US coup in Ukraine...Putin isn't going to lay down....and they know it.

even more scarier, is don't put it past national leadership, who are now desperate that this madness work, to pull a "false flag" attack, like a cyber attack, or an attack on the electrical grid.....and pin it on the Russians.....and a terrified lights out American populace will scream for relief.

If people want to call that "conspiracy theory".....need I remind everybody that 2013 was the year of false flag operation, designed to turn the American public against the 2nd Amendment and private gun ownership.....the mass shooting in the Colorado theater, the Sandy Hook school shootings, Boston Bombing, etc.....but it didn't work, just like Obamacare didn't work.....nothings working, so they are playing their last card.

pray they fold...because IF we pray, "YOUR Will be done, Abba, we might just have to pay for those 50 million infants aborted.

it brings me no pleasure to write this.....and I feel strongly that I am NOT in rebellion to authority....I am speaking the truth as I am led.

HW---

There is something unsettling in your posts--- not the content but rather the spirit which seems to suggest a state of panic in lieu of resting. There is also the unmistakable wish that something horrible happens to the U.S. that you attempt to hide with language like "i take no pleasure in writing this" or "it is with tears that i write this." It all seems like a bunch of hooey to me and I for one wish you would knock it off. Take it to some loony political forum but please spare us or at least me. My God is big enough to handle Obama and Putin and everything else in the universe for that matter. By the way, your ravings here will not make one hill of beans difference.

Sorry if i have offended but i can only take so much of this nonsense.

Brother,

I ask with all gentleness and sadness,

how does your response reflect our Lord's words in John 13:34-35?

â€œA new commandment I give to you, that you love one another, even as I have loved you, that you also love one another. By this all men will know that you are My disciples, if you have love for one another.â€• NASB

How does it reflect our Lord Himself?

If you find Neil's postings so offensive why do you read them?

There are a couple of members whose postings I choose not to read. It's really quite simple. I just skip them. There are others, like Neil and ginnYROSE, that I enjoy reading. I don't always agree but I enjoy their perspective.

We know that Jesus is the Lord of lords and King of kings. He is the head over all the rulers of the world ~ including Mr Obama and Mr Putin. He puts kings (rulers) in and He takes them out. (see the book of Daniel if you don't agree.) Both these leaders are in place to do His will for this time. We still need to be like the sons of Issachar and discern the times and seasons. ~ and pray!

So I ask again, dear brother, how does your response reflect our Lord's command and our Lord Himself?

REJOICE!

Mary

Sometimes things need to be spoken plainly.

A few years back I totally stopped listening to radio shows like Rush Limbaugh and the news outlets on TV because I realized the only thing they did for me was to create a lack of peace in my heart and a sense of helplessness.

I would prefer not to see such things on a Christian forum, but of course that is my opinion.

All that being said, I do apologize for not being more tactful in my response. However, I do stand by the essence of what I said.

By the way, I would not mind one iota of anything that Neil or anyone else writes about politics if it is simply written in a right spirit. It is hard to exactly point out what I find troublesome in some of these posts, other than the overall spirit.

Greg, in his incredibly wonderful and gracious way of stating things, has already asked that this type of posting be stopped. Apparently it didn't "take."

Regarding the "time" we are in, we have been in the last days for the last 2000 years. Just check out the language used by the apostles.

I agree sometimes things do need to be said plainly, but never in a non loving manner as was stated by the other poster. I did want to say I appreciate that you saw how unloving your first post to Neil was and apologized to him.

I would like to share with you that often in these types of forums it is difficult to really know the heart of another poster. Sometimes our posts can be misunderstood, I think that is why it was suggested that perhaps you avoid Neil posts since you have stated that his threads upset and bother you, perhaps just not reading them would be the best solution for you both. There are posters here that I too choose not read and avoid and it has helped very well in walking with others on the forum in peace.

As for the news stories Neil has posted, I find them interesting to read. I read them over, I pray about them, and I glean what GOD has for me. As long as Greg keeps the News and Current Events part of the forum up I think more of these kinds of threads will appear. We are living in very difficult times and it is hard not to talk about how rapidly things are happening around us. For myself personally I believe Neil is seeing and hearing things that he feels led in the spirit to share with others. Greg has posted similar news articles about coming economic collapse and I have read threads from our dear brother Blaine about coming persecution and Christians being imprisoned. Both have spoken of our need to prepare our hearts and look to Jesus in these times. I think Neil in his own way is saying the same things.

There are many who post here who are respected brothers and sisters who are seeing the times we are in as being the last days. Greg has said as much on more than one occasion, so has Frank. When I see these men of GOD sharing these things it makes me take notice, it makes me turn to the LORD in prayer knowing that the Holy Spirit is moving.

I do not know if Russia will come to war with the US or not but I do believe at this point anything is possible and surely there is need to pray concerning this situation for our leaders and the leaders of other countries. Surely the heartbreak that Neil expressed can be understood when in times past so many ugly wars have started in similar ways.

I can read his posts and see a deep love for the lost and for Jesus and know his heart is breaking over this. Just as I see

it when I read Blaine post for the persecuted, or Franks posts when he is reaching out to the sheep who are slumbering, and Greg's posts when he speaks of a need for repentance and holiness before a righteous GOD.

God bless
