A Target of Satan's Envy by David Wilkerson

Topic: Satan

Scripture(s): 2 Corinthians 12:2-9

Description: February 4, 2007 - This is a word for those who are going through difficult times, mentally, spiritually or physically. If you have decided to cross the line of lukewarmness and you are fully surrendered to the Lord's purposes you will become a target for Satan. Nothing shakes the kingdom of hell more than a praying Christian who is sold out for Jesus. When Satan recognizes this fire in us he will attempt to torment our minds with evil thoughts of past failures and sin. His plan is to neutralize our spiritual fight. God is calling us to get our focus off our afflictions and sin and go back to the New Covenant and declare Jesus to be the Highest Authority than anything the devil can throw at us.
