**MUST HEAR: Knowing And Finding The Will of God by Jim Cymbala - posted by sermonindex (), on: 2014/8/11 21:50**  
Saints,

In this study, Pastor Cymbala gives Biblical illustrations of how God led King David and the Apostle Paul in their decisions. God provides the same leading today as we face forks in the road of life. As you listen allow God to speak to your heart and open your heart to depend on Him more to guide you in every decision in life.
