Brethren,

Brother Denny Kenaston shares on the radical history of the Moravian movement and the outpouring of the Holy Spirit in 1727. He recounts of how God worked in the past and exhorts believers in our day to believe God for great things and for Him to use us in our local areas in similar ways for the glory of God.

Greetings brother,

Thank you Bro Greg for posting this. Wow-- my heart soared to hear this preached again. I'm passing this sermon around. I miss bro Denny so much. He had such an anointing. Oh my God bring this new wine again! And may God fulfill what bro Denny is preaching in this message in my life and the life of my children.
