introduction - posted by almondBranch (), on: 2003/10/7 6:39

Hello folks, a quick introduction:

I live in a town called Tralee in Ireland, have been very influenced and edified in my spiritual life by the writings and messages of Watchman Nee, George Warnock and TA Sparks. This is what led me to this site, I have enjoyed looking in on some of the posts here so decided to register and begin to post a little myself.

In Christ, Stuart.

Stuart, we are so glad you've joined us on this site and pray that you find it to be an amazing resource and encouragement, as well as a place to bless the body of Christ with your gifts. I hope we'll get a chance to get to know you better through your posts on the forums, and that God will feed you through the downloads. We're glad you're here. :-P

And a good morning to yuh~ :)

I am half Irish (on mom's side)--guess that's where the red hair came from (!). She was Irish through and through. But then there was my German dad---ouch! what a mix, huh?

Good to meet you and look forward to hearing more from you.

God bless you.
Trish
