

**Devotional Thoughts :: Exhort / encourage you "While it is called "Today"**

**Exhort / encourage you "While it is called "Today" - posted by Elibeth, on: 2015/7/13 10:12**

We need encouragement every day to follow on with The Lord,...in the WAY that He wants us to follow Him. it is detrimental.

So when I read this, this morning,....it was so ENCOURAGING to me,  
so I wanted to share my JOY and ENCOURAGEMENT.

I know Greg ( SI) has some of Smiths Wigglesworth preaching / teaching,..  
I am reading:

Faith Part 2, August 3-1922

If any of you can get this, Please do.

A blessed day to you,  
elizabeth

Thank you sister. I have actually been looking into compiling and setting up a daily devotions page on SermonIndex where many of them could be accessed and we would feature at least one on the front page for each day as a way of encouragement. Along with daily bible readings.
