

Miracles that follow the plow :: Prayer needed for wife

Prayer needed for wife - posted by jamccor (), on: 2015/9/4 9:16

These last few days my wife has been having issues with her body in a "womanly" way. We hope its nothing to worry about but we have a doctors appt scheduled today at 2:00 EST. Since this problem doesn't seem to get any better as the days go on, my prayer request would be that everything will turn out ok and there wouldn't be anything to worry about. That we would also have strength from now until the appt today.

Thank You and GOD Bless

John

I love that you love your wife enough to share that need. Praying.

John,

I can only guess your wife's problem, but I suggest you make this a serious matter of seeking God's will on this issue. I suppose you are well aware that too many doctors care more about how they can get your money then doing what is best for the body.

God bless. And I prayed for you that God will give you the wisdom to know what to do.

Thank You everybody for your prayers. Had the appt and everything turned out much better than we had hoped. Although there are minor causes for concern, the outcome was so much better than we expected. I truly believe its because of all of you. Thank you all!!

GOD Bless
