I'm curious to know if there are any Christians from the great Pacific Northwest. It's such a liberal part of the country where few Christians are found. The quality of churches is abysmal! Seeker sensitive and soft on sin! Thank God I was led to a church where the pastor preaches the Word without compromise. How about you?

Hey There Des, sorry I am from the North East, but I can sympathize with your situation. I am from the Boston area and it's the same story over here. Thank God for this website!

Des,

Hey there! You are welcome to come worship with us if you are in the Seattle area. Here's our church website:

We are a brand new church plant and we are a Bible preaching church. Not soft on sin. Love the truth. Love worship and the moving of the Holy Ghost. No compromise.

Blessings,

Thanks Chad. I'm in Vancouver, Washington and God has led me to a wonderful church. God is awesome for this church is an answer to prayer. It's such a blessing to be with a bunch of dead people.
