**'We do not fear' the government's crackdown on churches, Chinese Christian says - posted by sermonindex (), on: 201**

A letter written by a house church member in China has condemned the Chinese government for its strict restrictions placed on religious communities, but says that his church are not afraid in the midst of a crackdown on Christianity.

Zhang Tan is a member of Huoshi church in Guiyang, Guizhou province, which has been targeted by Chinese authorities. The church has been given heavy fines, all gatherings have been banned, and church leaders have been detained.
