These two have impacted my life so much. Just curious if anyone else feels the same way.

I had logged out, but had to come back in to say a hearty "Amen" to this. These men of God (who happen to be friends with each other) have impacted my life in a way I couldn't describe to you.

Another guy in this circle of powerful friends would be Jack Chick. He has really stood up amidst much "friendly fire" for his zeal to help Catholics find Christ and contend for the KJV.

Blessings,

RT

ReceivedText,

I agree with you on Chick. Anyone that read Wesley's commentary on Rev 17 would understand why Jack Chick say s what he does. Same goes for Ian Paisley, John Rice, etc, etc, etc. I don't hate Catholics, while I can't say the same for the doctrines that are pushed by the Papacy. The doctrine that a wafer can save you is nothing other that "another gosp el." Paul had no problem discussing this, (Gal 1:8-9), "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed." Curtis Hutson said, "We need s ome bulldog Christians, we got too many French poodles."

Great line on the french poodles. It'll probably come out in a message sometime.
