Zac Poonen's monumental work 'THROUGH THE BIBLE' has just been published.

This book is the result of Brother Zac's study of the Bible over a period of more than 50 years.  
It is a commentary on every book of the Bible.  
It proves that every book in the Bible is interesting.  
It shows that every book in the Bible has a message for today.  
It is intensely practical 'dealing with issues related to every aspect of the Christian's life.  
It speaks more to the heart than to the head.
