

**Welcome & Intro :: New here, not in the Lord****New here, not in the Lord - posted by Bobbeers (), on: 2016/6/24 13:29**

Hello. I'm one of the older generation. Partially retired, I write novels for a publisher and mediate part time for the Nevada Supreme Court's foreclosure program. I accepted Jesus as my Lord back in the very early 70's, and am married to my wife of soon to be 43 years. What decided my registration was the primacy of Jesus as Lord in the forums. It is interesting just how rare that is these days.

Robert, good to see you. Hope to get to know you more.

A few others here have legal backgrounds, too. I'm an attorney in Alabama. Bearmaster (Blaine) facilitates CLE programs for lawyers in Arkansas (and maybe elsewhere, too).

May Jesus be prime for us all every day, my brother.
