Revivals And Church History :: Miss Bertha Smithâ€™s List of Sins

Miss Bertha Smithâ€™s List of Sins - posted by sermonindex (), on: 2016/8/30 23:16

When Miss Bertha gave her prayer retreats, she would spend the first 2-3 days of the retreat on sin.

According to Gerald Melton, â€œShe would get people so burdened and so agonizing over their sin they couldnâ€™t st and it. Everyone had to make out a sin list. She usually would let them start praying until the 3rd day to make sure they were convicted enoughâ€•.

Miss Bertha would tell people to ask the Lord to examine your heart. Confess every known sin to Him. If the sin is agains t the Lord, then confess it to the Lord. If the sin is against an individual, you need to go to them and make it right. Then p ray that the Lord will fill you with the Holy Spirit. After you have completed this task and only then will you be on praying ground. If you want to have a productive prayer life, then follow Miss Berthaâ€™s advice.
