Contacting Stephen Kaung - posted by MichaelLiao (), on: 2016/10/5 0:18

Hi there guys,

It's Michael again. Been a long time. I have a question and maybe you guys can help me.

Is there a way to get in touch with Stephen Kaung. From what I understand, he is still alive - and maybe 100 years-old. The reason why I want to contact him is because I was part of a church that was established by Watchman Nee about 6 years ago. Although, more like Witness Lee to be exact. I did leave this church because I did sense something was off. Although the Orthodoxy is tremendous, the Orthopraxy is problematic. I want to ask Stephen about the history of the Local Churches and his relationship with Witness Lee. I've recently encountered brothers from the Local Church again and I have had great fellowship with them. They have encouraged me to go deeper with Christ and have said very orthodox things. They were actually the first ones to introduce to me the teaching of "The Indwelling Life of Christ" and how Christ is our strength in the Christian walk.

To be honest, their teachings are very close to that of T. Austin-Sparks and Watchman Nee. But, I felt (maybe) there are some cultic tendencies that kind of turned me away.

I currently attend The People's Church in Toronto and I really enjoy the Body-Life there. However, years later I am still conflicted over this church and I hoped that Brother Kaung may help me clarify things.

Thank you,

- Michael Liao

At least clarify the history and theology behind this church. I know Brother Stephen Kaung worked with Witness Lee decades ago, but then they split.

The only place I know that that puts up Stephen's sermon's regularly are at Christian Testimony Ministry. They would know how to get a hold of him.

Brother Michael,

I have listened to many teachings by Stephen Kaung on "Body Life", and having read many books by Watchman Nee, and Brother Stephen is laying forth the same scriptural teachings as his mentor. Brother Nee had a tremendous revelation of Christ the Head of His many membered Body, and we are thankful that this revelation has been shared by Brother Kaung in many of his teachings.

I had the privilege of meeting Stephen Kaung at one of the Christian Family Conferences in Richmond, and he literally radiates the presence of Jesus Christ. He is a very loving and humble servant of the Lord.

I know that Witness Lee was also a worker with Watchman Nee, but there is something different and suspect about some of his writings, so I would say that you are accurate in your discernment.

AbideinHim, I want to ask what was suspect about some of Witness Lee's writings?

Thank you guys so much for your response. I will see if I can get a hold of him through those links.

I removed my comment. I thought it was documented, I've searched this weekend and I can't find anything where they've part ways.

This was over 10 years ago, so I've slept since then. I apologize for saying something that wasn't documented.

God bless,
Lisa

Hmmm....I thought Watchman Nee ordered Witness Lee to take the ministries of the Local Church to Taiwan. They split? Is there information on this?

I would be interested in your findings too Michael

The idea that we meet with believers in our local area in the Lord's name and under His headship certainly appeals to me.

05 Principle 1 - Solely Looking to the Person of Jesus Christ by Principles For The Gathering of Believers

Topic: Audio Books

Scripture(s): Acts 2:44, Colossians 1:18, Colossians 1:28

Description: We need the kind of humility that was expressed in the early Church as recorded in the Book of Acts. This kind of humility is today manifested in many underground and persecuted Churches across the world because they have dealt the death blow to pride and independence.³⁹ These persecuted believers have become solely dependent on Jesus Christ as the Head to lead them and guide their meeting as Churches.⁴⁰ A brother stated this truth, in another way: "Christ should be the gathering center of His people. We should be drawn by His presence, not by a man. When believers see this and act upon it, the local Assembly need not be shaken by the departure of any man. An Assembly where Christians gather to Christ has strength, stability and solidarity."
