sermon speakers biographies - posted by denem7 (), on: 2005/6/14 20:17

is there a place on this website where we can find some brief biographies of the messengers of the sermons or articles?

thanks-dennis

Dennis

I should work on an offical biography section for all the speakers in the download and articles area. But for right now alot of the bios are posted in the forums. Do a search from the front page of the site for the speaker bio that you are looking f or. Also you can post in forums a question for the bio that you are looking for.
