Seldomly I stop by here, but a few months ago I saw a thread about recommended reputable organization to give donation.

Some one please help me to find it?

Every one wants our money, but very few use it to advance the gospel.  
I'm looking for one that help with the advancement of the gospel in poor third world countries.  
This is trully a blessed site. I'm trully bless by David Wilkerson sermons download.

Thanks to all!

Voice of the Martyrs helps persecuted christians and the families' of martyrs in restricted countries (often third world). Free book Tortured for Christ and newsletter offer also, at their web site [www.persecution.com](http://www.persecution.com)

Gospel for Asia helps christians in India, also a persecuting country, which is third world. They offer a free book on their website explaining their perspectives on mission work to other countries, very interesting (called Revolution in World Missions). This organization can give a bible to someone who never had one for \$2.40, or 4 New Testaments for \$1, and provide the gospel to people who have never heard it. Would agree with those, here is another:

### Our Purpose

To strengthen and equip the Body of Christ living under or facing restriction and persecution because of their faith in Jesus Christ, and to encourage their involvement in world evangelism by:

- Â• Providing Bibles and literature, media, leadership training, socio-economic development and through intercessory prayer;
- Â• Preparing the Body of Christ living in threatened or unstable areas to face persecution and suffering; and
- Â• Educating and mobilizing the Body of Christ living in the free world to identify with threatened and persecuted Christians and be actively involved in assisting them.

We do so because we believe when one member suffers, all members suffer with it (1 Corinthians 12:26), all doors are open and God enables His Body to go into all the world and preach the Gospel.
