I know the founder of that ministry he is doing an excellent work. What are some of your favourite authors on the site?

on SermonIndex we also have a collection of godly songs, over 1600 here: <https://www.sermonindex.net/modules/mydownloads/viewcat.php?cid=168>

If saints availed themselves of these free resources one would not need to purchase music from the stores, and even give that money to missions and the cause of Christ.
